

MFB Series 2 - Brass

Expansion joint cover system

Innovative solutions for Pedestrian Traffic

The MFB Series 2 expansion joint system is designed for minimum rebate installations with a block out required of only 16 H x 13 W mm.

Examples of applications such are:

- Shopping & retail centres
- Hospital walkways, corridors, & public buildings
- Indoor and outdoor public spaces

Features

- Foot safe for Pedestrian Traffic
- Minimum Rebate Required
- Surface Fixed
- Suited well to Retrofit outs
- Standard Length = 3.6 meters

Benefits

- Low maintenance though design simplicity
- Structural grade ensures extended serviceability
- Base system incorporates anchoring points
- Can be installed to suit all floor finish types including tile carpet, stone, vinyl, concrete and epoxy floors.

Other Options

- Stainless Steel and Aluminum options
- Water and Fire barrier
- Recommended Bedding Materials:
 - Pedestrian traffic: Ramset Premier Grout
 - Vehicle traffic: Miska FC122 Epoxy Mortar
